

CONTRACT HIRE BENEFITS

Contract Hire is an increasingly popular funding method for businesses due to the number of benefits it enjoys.

FIXED MONTHLY PAYMENTS

Making it easy for customers to budget and to control their monthly costs.

LOW DEPOSIT AND PAYMENTS

Enables them to free up capital to invest elsewhere in their business.

ELIMINATES RISK OF VEHICLE DEPRECIATION

No concerns over residual value of the vehicle at the end of the agreement.

ELIMINATES RISK ON MAINTENANCE

(IF GUARANTEED MAINTENANCE PACKAGE IS TAKEN)

This prevents customer servicing, repair and tyre costs spiralling out of control.

REDUCES ADMINISTRATION BURDEN AND COSTS

RFL is included for each year of the contract and they don't need to worry about maintenance, servicing and disposal issues. Saving them time and money, so they can focus on their core business.

HASSLE FREE, 24/7 DRIVER SUPPORT

By choosing Nissan Business Finance their drivers will receive 24/7 support 365 days a year by phone, email or internet.

REGULAR RENEWAL CYCLE

Allows your customers to promote a professional image by maintaining a young and modern fleet. It also gives your dealership the opportunity to renew your customers at a regular interval.

TAX EFFICIENT

All or part of the rentals can be offset against taxable profits as the monthly rental shows as an expense on the customer's Profit and Loss Account.

VAT EFFICIENT

Unlike some traditional Purchase Plans, all or part of the VAT can be reclaimed. For LCVs, 100% of the VAT on the finance element of the rental may be reclaimed. For cars 50% of the VAT on the finance element of the rental may be reclaimed. 100% of the VAT on the maintenance element of the rental may be reclaimed for both LCVs and cars.
